MEMORANDUM of the agreement between THE MERCANTILE AGENCY, on the one part, and the undersigned Subscribers to the said Agency, on the other part, viz.:

The said MERCANTILE AGENCY are to communicate to us, on request, for our use in our business, as an aid to us in determining the propriety of giving credit, such information as they may possess concerning the Mercantile Standing and Credit of Merchants, Traders, Manufacturers, etc., throughout the United States and in the Dominion of Canada. It is agreed that such information has mainly been, and shall mainly be, obtained and communicated by servants, clerks, attorneys, and employés, appointed as our sub-agents, in our behalf, by the said MERCANTILE AGENCY. The said information to be communicated by the said MERCANTILE AGENCY, in accordance with the following rules and stipulations, with which we, Subscribers to the Agency as aforesaid, agree to comply faithfully, to wit:

1. All verbal, written, or printed information communicated to us, or to such confidential clerk as may be authorized by us to receive the same, and all use of the Reference Book hereinafter named, and the Notification Sheet of corrections of said Book, shall be strictly confidential, and shall never, under any circumstances, be communicated to the persons reported, but shall be exclusively confined to the business of our establishment.

2. The said MERCANTILE AGENCY shall not be responsible for any loss caused by the neglect of any of the said servants, attorneys, clerks, and employés, in procuring, collecting, and communicating the said information, and the actual verity or correctness of the said information is in no manner guaranteed by the said MERCANTILE AGENCY. The action of said Agency being of necessity almost entirely confidential in all its departments and details, the said MERCANTILE AGENCY shall never, under any circumstances, be required by the subscriber to disclose the name of any such servant, clerk, attorney, or employé, or any fact whatever concerning him or her, or concerning the means or sources by or from which any information so possessed or communicated was obtained.

3. The said MERCANTILE AGENCY are hereby requested to place in our keeping, for our exclusive use, a printed copy of a Reference Book, containing ratings or markings of estimated capital and relative credit standing of business men, in such States and Provinces as may be agreed upon, prepared by them or the servants, clerks, attorneys, and employés aforesaid, together with Notification Sheet of corrections. We further agree, that upon the delivery to us of any subsequent edition of the Reference Book, the one now placed in our hands shall be surrendered to them, and also that upon the termination of our relations as subscribers, the copy then remaining in our hands shall be given up to the said MERCANTILE AGENCY, it being clearly understood and agreed upon that the title to said Reference Book is vested and remains in said MERCANTILE AGENCY.

4. We will pay in advance Dollars for one year's services, from date hereof, of said MERCANTILE AGENCY, together with the use of said Reference Book, pursuant to the foregoing conditions; and, subject always to the conditions and obligations above-mentioned, the same sum annually thereafter, in advance, unless within ten days after the commencement of any subscription year, we notify said MERCANTILE AGENCY in writing to the contrary.

5. The MERCANTILE AGENCY are hereby permitted to reserve to themselves the right to terminate this subscription at any time, on the repayment of the amount for the unexpired portion thereof.

ABSTRACT OF

ASSIGNMENT AND COLLECTION LAWS IN DOMINION OF CANADA

ONTARIO.

Arrest and Imprisonment for Debt.—Imprisonment for debt is not allowed in Ontario, but in case a creditor can make an affidavit that he has a cause of action to the amount of $100 and upwards, or that he has sustained damage to that amount; and also, by affidavit, show facts and circumstances to satisfy a judge that there is reasonable and probable cause that debtor is, unless forthwith apprehended, about to quit Ontario with intent to defraud his creditors, the debtor may be arrested and confined in close custody till he puts in special bail for such sum as shall be named by the judge in the order. The writ of capias so issued is the commencement of the action.

Assignments.—No trader can make a voluntary assignment preferring certain creditors; any such assignment can be set aside as fraudulent, and under certain circumstances the debtor by such a preferential assignment may make himself liable criminally.

Attachments.—Attachments only issue in case of absconding debtors who leave Ontario with intent to defraud their creditors, and who are possessed, to their own use and benefit, of real or personal property, credits, or effects, not exempt by law from seizure. All other actions are commenced by ordinary writ of summons.

Bills of Exchange and Promissory Notes.—These are governed by commercial law as to days of grace, protest and notice, the Ontario Statute not varying materially in this respect. Notes do not bear interest, unless expressed on the face, until after maturity, from which period, however, the legal rate—six per cent.—can be recovered. If a rate of interest is named on face of note, and in addition to the words, "with interest at the rate of ——," the words "until paid" are added, the *named* rate can be collected till date of payment of note, otherwise, without these words (or others of similar import), the expressed rate only during period of currency, and legal rate from maturity till payment can be collected.

Chattel Mortgages—Must be filed within five days of their being executed, and are only valid for a year from date, but may be renewed from year to year; such renewal must be made within thirty days before expiration of year, and filed also. Chattel mortgages are filed in the county clerk's office of the county in which the goods mortgaged are situate.

Commissions.—Commissions can issue from all courts of record, and upon a proper application in a suit in the division court, a commission will be directed to issue from the county court, to take the evidence to be used in the division court. The costs of the commission will be allowed to the successful party.

Contracts of Married Women.—Married women may contract and are liable on contracts to the same extent as *femes sole*, but such contracts must be made on faith of, and credit of her separate estate, and she must possess separate estate at time of contract, and at time of judgment. She may make notes and is liable thereon subject to above qualifications.

Execution.—Execution can issue on judgments by default in eight days after last days for appearance, or seventeen days from date of service of writ. In cases going to trial, execution does not issue until the fourth day of the term following the verdict in the superior courts—the second day of term in county court cases—unless the judge makes an order for immediate execution. The sheriff is bound to return writs at any time after demand, in writing. In division courts bailiff must return writ within thirty days, unless plaintiff authorizes him to renew writ for six months longer, and so from time to time. Writs in county and superior courts are good for one year from date, and may be renewed from year to year. Lands cannot be sold under execution until after expiration of a year from date of issue of execution. Executions cannot be stayed as a general rule, except on applications for new trial. Executions against lands bind lands of debtor in county in which issued from date of being placed in sheriff's hands, without being registered. This in superior and county court cases. Judgments in division courts for amounts exceeding $40 may be made judgments of the county court, and executions thereon issued against lands.

Exemptions.—The exemptions from execution are beds, bedding, and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles; all necessary fuel, meat, vegetables, fish, flour—not more than sufficient for ordinary consumption of debtor and family for thirty days and not exceeding in value $40; one cow, four sheep, two hogs, and food therefor for thirty days; tools and implements of or chattels ordinarily used in debtor's occupation to value of $60; bees reared and kept in hives to the extent of fifteen hives; no real estate.

Interest.—Interest may be recovered on open accounts from and after demand of payment and notice that interest will be charged if account not paid.

Judgments.—Judgments may be obtained during vacation. Judgment can be obtained in superior and county courts ten days after defendant served, if resident in Province. In division courts in eleven days after service, if defendant resides in county where suit commenced, or twenty-one days, if defendant resides in another county than the one sued in. These judgments, of course, are judgments by default. In contested cases, from one month to three months, except where no defense on the merits can be shown, when judgment may be entered under order of the court. Judgments are good for twenty years from their date.

Jurisdiction of Courts.—Superior courts unlimited jurisdiction; county courts up to $400, where amount ascertained by acts of parties or signature of defendant, as notes, bonds, &c.; open accounts and unsettled balances, up to $200. In division courts upon any note, bill of exchange, or any debt or money demand, the balance of which does not exceed $200, where the amount or original amount is ascertained by the signature of the defendant. In other cases, any unsettled balance, where it does not exceed $100, and where such is a balance of an account not originally exceeding $400. Notes and accounts are outlawed in six years from time they become due.

Verification of Accounts.—Verification is of no use, and accounts and claims must be proved by admissions of defendant, or by evidence of witnesses examined in court, or their evidence can be taken under commission if non-residents, or sick or absent.

Contracts of Married Women.—A wife, who is a public trader, may, without the authorization of her husband, obligate herself for all that relates to her commerce, and in such case she also binds her husband, if there be community between them.

Execution.—Execution can only issue in fifteen days after judgment, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. Execution can only be stayed by opposition of defendant, supported by affidavit, which can be filed on the ground of informalities in seizure, or seizure of goods of third party though in possession of defendant. Case tried in the ordinary way, to test these rights, takes from two to three months. The sheriff must return execution on return day mentioned in the writ, which is generally for moveables about twenty days after the issuing thereof, and for lands two months.

Exemptions.—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for thirty days, and not exceeding in value $40. One cow, four sheep, two hogs and food therefore for thirty days: Tools and implements of, or chattels ordinarily used in debtor's occupation, &c., &c. No real estate.

Interest.—Interest may be charged when defendant has promised to pay it, or when a usage or course of dealing has been proved, under which defendant has been in the habit of paying interest. When no rate agreed upon legal rate is 6 per cent.

Judgments.—Judgments may be obtained all the year round, except from 10th July to 31st August, and a few days at the end of each month. Judgments may be obtained where no defence interposed in circuit courts in eight days, in superior courts in fourteen days, and in both courts one extra day must be allowed for every fifteen miles that defendant lives from Montreal. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

Jurisdiction of Courts.—Circuit court up to $100; superior courts, all amounts above $100; notes and accounts are outlawed in five years.

Verification of Accounts.—No verification is wanted; accounts and claims must be proved out of mouth of defendant or by witnesses examined in court or under commission if witnesses reside in States or are absent.

QUEBEC.

Assignments.—Any creditor may make a demand on a debtor to make an assignment or "cession," if debtor refuses then *capias* may issue. A debtor may be compelled by issue of writ of *capias* to make a "cession" or assignment of his estate to a curator appointed by the court, on advice of a meeting of creditors. The curator or trustee realizes assets, and divides the proceeds among creditors, but the debtor is not discharged by such assignment. Creditors accepting the dividend may still retain claim versus debtor for balance.

Attachments.—Attachments issue on production of affidavit by creditor or agent that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors.

Chattel Mortgages.—There are no such instruments known to the law in Quebec. If a debtor wishes to secure a debt by chattels, he must deliver them absolutely to the creditor.

Commissions.—Commissions can issue from the circuit court and superior court.

NEW BRUNSWICK.

Assignments.—Assignments preferring creditors may be made.

Attachments.—No attachments.

Chattel Mortgages.—Chattel mortgages must be filed to be binding.

Commissions.—Commissions to take evidence do not issue from any courts except courts of record, the county and supreme courts.

Contracts of Married Women.—The contracts or notes of married women can be enforced in equity.

Executions.—Executions can issue immediately after judgment. The sheriff must return process on return days unless he has levied. Execution cannot be stayed by defendant unless he moves in arrest of judgment.

Exemptions.—Personal property to the value of $100. No real estate.

Garnishee or Trustee Process.—This act only applies to judgments obtained in the county or Supreme courts, where the judgment, independent of costs, exceeds $40. It has been held to apply only to judgments obtained since the passage of the Act, viz.: April 6th, 1882.

Interest.—Interest cannot be charged upon open accounts.

Judgments.—Judgments are obtained in county courts, if no defence, in thirty days, and in Supreme court in sixty days. Judgments may be obtained in vacation. Judgments in county courts and superior courts only can be made liens on land. Judgments are good for fifteen years.

Jurisdiction of Courts.—Magistrates $20, in tort $8; parish courts $80 in debt, $32 in tort; county courts $20 to $400 in debt, $200 in tort (the act enlarging jurisdiction of this court comes into force June 1st, 1882); Supreme court $400 and upwards. Notes and accounts are outlawed in six years from time due or from last payment.

Verification of Accounts.—It is not necessary to attest an account in order to put in suit.

NOVA SCOTIA.

Assignments—May be made as at common law; preferences are allowed. The insolvency law has been repealed.

Attachments.—Actions are not commenced by attachment. It is only a provisional remedy.

Chattel Mortgages.—Chattel mortgages must be filed in the office of the Registrar of Deeds to operate against third parties.

Commissions.—Commissions to take evidence do not issue from justices' courts.

Contracts of Married Women.—The contracts and notes of married women are not binding, except when they arise in respect of her separate earnings, business or property under the provisions of the "Married Woman's Property Act, 1884."

Execution.—Execution can issue immediately after judgment. Execution cannot be stayed by defendant except by special application to a judge, showing sufficient grounds. It can, of course, be stayed by creditor by instructions to the sheriff. A writ of execution, if unexecuted, shall remain in force for one year from its issue, but it may be renewed.

Exemptions.—The necessary wearing apparel, beds, bedding and bedsteads of debtor and his family; stove and pipe, crane and appendages, andirons, cooking utensils, tongs, knives, forks, plates, teacups and saucers, shovel, table, chairs, milk-jug, teapot, spoons, spinning wheel and weaving-loom, if in ordinary domestic use; religious books, water bucket, axe, saw, and such fishing nets as are in common use; all necessary fuel, meat, flour and vegetables for family use—enough for thirty days' consumption; tools and implements of debtor's occupation to value of $30; one cow, two sheep, and one hog, and food therefor for thirty days. No real estate.

Interest.—Interest cannot be charged on open accounts, except by arrangement, or an established course of dealing in which it has been paid or acknowledged by debtor.

Judgments.—Judgments may be obtained during the vacation of court. They can be obtained in ten days after service when the defendant resides in any part of Novia Scotia. When the defendant resides out of the Province judgment may be entered on the expiration of the time allowed defendant to appear, which is limited by the Court. Judgments are good for twenty years from their date.

Jurisdiction of Courts.—The Supreme Court of the Province of Nova Scotia has concurrent jurisdiction with the county courts on actions *ex contractu*, where the debt or damages claimed amount to $80, and do not exceed $400. Notes and accounts are outlawed in six years from the time they become due.

Verification of Contracts.—It is useless and unnecessary.

MANITOBA.

Arrest and Imprisonment for Debt.—Imprisonment for debt is not allowed in Manitoba, but in case a creditor can make an affidavit that he has a cause of action to the amount of $100 and upwards, or that he has sustained damage to that amount; and also, by affidavit, shows facts and circumstances to satisfy a judge that there is reasonable and probable cause that debtor is, unless forthwith apprehended, about to quit Manitoba with intent to defraud his creditors, the debtor may be arrested and confined in close custody till he puts in special bail for such sum as shall be named by the judge in the order. The writ of capias so issued is the commencement of the action.

Assignments.—No trader can make a voluntary assignment preferring certain creditors; any such assignment can be set aside as fraudulent.

Attachments.—Any benefit, estate or interest in possession or otherwise, in or to any real estate or hereditaments at law, or in equity, or any personal property, effects, or credits situate or being in Manitoba, of a debtor or a person against whom there is a cause of action, may be attached for the payment of a debt, or the satisfaction of a cause of action arising from legal liability in the following cases: *(a)* Whenever such debtor or other person, being an inhabitant of this Province, shall depart therefrom with intent to defeat or defraud his creditors, or those who have causes of action against him, or to avoid being arrested or served with process, or shall keep himself concealed therein with a like intent; or, *(b)* whenever such debtor or other person, not being a resident of this Province shall be indebted to a creditor, or legally liable to a person as aforesaid, residing within this province, either in respect of a contract, express or implied, or in respect of any cause of action made in this province, or arising therein, or in the case of a contract or other obligation, if made elsewhere, to be performed or partly performed or completed in this Province, or liable to be compensated for in damages, or in respect of a cause of action which arose, and for which he is liable, to satisfy another person in this Province; or, *(c)* whenever any such debtor or person as aforesaid, being a resident or non-resident of this Province, is about to remove or transfer any of his property, effects, or credits from this Province, or has assigned, transferred, disposed of, or secreted, or is about to assign, transfer, dispose of, or secrete any of his real estate therein, or any of his personal property, effects, or credits, with intent to delay, defeat, or defraud creditors or those who have causes of action against him.

Bills of Exchange and Promissory Notes.—These are governed by commercial law as to days of grace, protest and notice. Notes do not bear interest, unless expressed on the face, until after maturity, from which period, however, the legal rate—six per cent.—can be recovered. If a rate of interest is named on face of note, and in addition to the words, "with interest at the rate of ——," the words "until paid" are added, the *named* rate can be collected till date of payment of note; otherwise, without these words (or others of similar import), the expressed rate only during period of currency, and legal rate from maturity till payment can be collected.

Chattel Mortgages—Must be filed within six days of their being executed, and are only valid for two years from date, but may be renewed from year to year; such renewal must be made within thirty days before expiration of year, and filed also. Chattel mortgages are filed in the county clerk's office of the county in which the goods mortgaged are situate.

Commissions.—Commissions can issue from all courts of record, and upon a proper application in a suit in the county court, a commission will be directed to issue. The costs of the commission will be allowed to the successful party.

Contracts of Married Women.—Married women may contract and are liable on contracts to the same extent as *femes sole*. She may make notes, and is liable thereon.

Execution.—Execution can issue on judgments by default in eight days after last days for appearance, or eighteen days from date of service of writ. In cases going to trial, execution does not issue until the fourth day of the term following the verdict in the superior courts—the second day of term in county court cases—unless the judge makes an order for immediate execution. The sheriff is bound to return writs at any time after demand, in writing. In county courts bailiff must return writ within thirty days, unless plaintiff authorizes him to renew writ for thirty days longer, and so from time to time. Writs in superior courts are good for one year from date, and may be renewed from year to year. Lands cannot be sold under execution until after expiration of a year from date of issue of execution. Executions cannot be stayed as a general rule, except on applications for new trial. Executions against lands bind lands of debtor in county in which issued from date of being placed in sheriff's hands without being registered. This in superior court cases. Judgments in county courts for amounts exceeding $40 may be made judgments of the superior court, and executions thereon issued against lands.

Exemptions.—(1) The bed and bedding in use of judgment debtor and family, and household effects and furniture, not exceeding in value $500; (2) the necessary and ordinary clothing of judgment debtor and his family; (3) twelve volumes of books, the books of a professional man, one axe, one saw, one gun, six traps, and nets and seines used by judgment debtor; (4) the necessary food for judgment debtor and family for sixty days, provided, however, said exemption shall only apply to such food and provisions as may be in possession at time of seizure; (5) two cows, three oxen, or three horses or mules, four sheep, two pigs, twelve fowls, and food for the same for sixty days, provided such exemption as to horses shall apply only in case they are used by the judgment debtor earning his living; (6) the tools, agricultural implements and necessaries used by judgment debtor in the practice of his trade, profession or occupation to the value of $500; (7) the articles and furniture necessary to the performance of religious services; (8) the land upon which the defendant or his family actually reside, or which he cultivates, either wholely or in part, or which he actually uses for grazing or other purposes, provided the same be not more than 160 acres—in case it be more the surplus may be sold subject to any lien or encumbrance thereon; said 160 acres must be outside the limit of city or town; (9) house, stable, barns and fences on judgment debtor's farm subject, however, as aforesaid; (10) all necessary seeds of various varieties, or roots, for proper seeding and cultivation of thirty acres; (11) the actual residence or home of any person other than a farmer, provided the same does not exceed the value of $1,500, and if the same does exceed the value of $1,500, then it may be offered for sale and sold, if for an amount that shall exceed $1,500, after deducting all costs and expenses, and the $1,500 shall be paid over to the debtor.

Interest.—Interest may be recovered on open accounts from and after demand of payment and notice that interest will be charged if account not paid.

Judgments.—Judgments may be obtained during vacation by default. If there be really no defence, an application can be made to strike out appearance and sign judgment as of default of appearance. Judgment in these cases can be obtained in about a fortnight. Judgment can be obtained in superior and county courts ten days after defendant served, if resident in Province. These judgments, of course, are judgments by default. In contested cases, from one month to three months. Judgments are good for twenty years from their date.

Judgments in the Northwestern Territory. No judgment can be enforced against any settler within six years after his arrival, unless the judgment is rendered upon a debt contracted within the Territory, or for goods purchased to be brought into the Territory.

Jurisdiction of Courts.—Superior courts unlimited jurisdiction; county courts up to $250, where amount ascertained by acts of parties or signature of defendant, as notes, bonds, &c.; open accounts and unsettled balances, up to $300. Notes and accounts are outlawed in six years from time they become due.

Verification of Accounts.—Verification is of no use, and accounts and claims must be proved by admissions of defendant, or by evidence of witnesses examined in court, or their evidence can be taken under commission if non-residents, or sick or absent.

NORTHWEST TERRITORIES.

Imprisonment for Debt—Is not allowed in the Territories, nor is there any provision for the arrest of a debtor who is about to abscond from the Territories, or to depart with intention of defrauding creditors.

Assignments.—No trader can make a voluntary assignment preferring certain creditors. Any such assignment can be set aside as fraudulent.

Attachments.—All the personal property and effects of a debtor liable to seizure under execution may be attached: (*a*) When the debtor has absconded from the Territories leaving personal property therein liable to seizure under execution, or (*b*) has attempted to remove such property out of the Territories or from one judicial district to another, or (*c*) keeps concealed to avoid service of process, or (*d*) has assigned or secreted any such

property. The writ issues, upon affidavit of the creditor, his servant, or agent, setting out grounds, supported by affidavit of one other credible person.

Bills of Exchange and Promissory Notes.—These are governed by laws of the Dominion as to days of grace, protest, and notice. Notes do not bear interest until after maturity, unless otherwise expressed on face. Interest allowed at four per cent. after maturity unless otherwise expressed.

Chattel Mortgages—Must be filed within 15 days from date of execution, and are only valid for one year from date, but may be renewed from year to year. Such renewal must be made within 30 days from expiration of year. Chattel mortgages must be filed in the office of the Clerk of the High Court of Justice for the district in which goods are situate.

Commissions—May issue from High Court of Justice in any suit pending therein, where witness is outside the Territories. Costs of commission will be allowed to successful party.

Executions.—Can issue on all judgments at expiration of 15 days from date of judgment, unless otherwise ordered by judge, who can direct execution to issue at any time. Executions bind the property of debtor from time of delivery to sheriff. Lands cannot be sold under execution against lands, until expiration of one year from time of delivery to sheriff. Executions expire at expiration of one year from date of issue, unless renewed before that time. No execution against lands will be issued, unless amount of judgment debt and costs exceeds $50.

Exemptions.—The following are the exemptions in cases where payment is recovered upon a debt contracted in the Territories after 18th December, 1885, or upon a debt contracted outside the Territories at any time: (1) The necessary and ordinary clothing of the defendant and his family; (2) furniture and household furnishing belonging to defendant and his family to the value of $500; (3) the necessary food for the defendant's family during six months, which may include grain, flour, vegetables, and meat, prepared for use or on foot; (4) two cows, two oxen and one horse, or three horses or mules, six sheep and two pigs, besides the animals chosen for food purposes, and food for same for winter months; (5) the harness for three animals, one wagon or two carts, one mower or cradle, and scythe, one breaking plough, one cross plough, one set harness, one horse rake, one sewing machine, and one reaper or binder; (6) the books of a professional man; (7) the tools and implements used by the defendant in the practice of his trade or profession; (8) seed grain sufficient to seed all his land under cultivation, not exceeding 80 acres, at the rate of two bushels per acre and fourteen bushels potatoes; (9) the homestead of the defendant, provided it does not exceed 160 acres—if more, the surplus may be sold subject to any incumbrance thereon; (10) the house and buildings occupied by the defendant, to the extent of $1,500; also the lot or lots on which the same are situate according to the registered plan of the same; the defendant is entitled to his choice from a greater number of articles of same class. The following are the exemptions in cases where judgment is recovered upon a debt contracted in the Northwest Territories prior to 18th December, 1885: (1) The bed, bedding, and bedstead, necessary and ordinary clothing, one stove and pipe, one table, one spinning wheel, one weaver's loom, one axe, one saw, one gun, six traps, the net or seine, and the necessary and ordinary kitchen and cooking utensils, and table crockery belonging to and in the ordinary use of the debtor and his family; (2) one cow, two oxen or one horse, two pigs, and food for the debtor's family for one month in summer and two months in winter; (3) the tools and necessary instruments and books used by the debtor in the practice of his trade or profession, if the debtor is a mechanic, to the value of $100, but to the value of $200, if the debtor is a professional man or a farmer. The debtor to be entitled to his choice from a greater quantity of the same class.

Interest—May be recovered on open accounts from and after demand of payment, and notice that interest will be charged if account not paid. Legal rate of interest is four per cent.

Judgments.—In cases where claim is ascertained by signature of defendant, or is upon a merchant's account, a special summons may be issued, returnable ten days after service where defendant resides in same district, and fifteen days where he resides in another district. If defendant does not before return day file with the clerk a notice, disputing the claim, accompanied by an affidavit stating that he has a good defence on the merits, the plaintiff may sign judgment after return day upon proving claim by affidavit. In all other cases the summons are made returnable at the sittings of the Court, which are held at irregular intervals. Judgments are good for twenty years from date.

Jurisdiction of Court.—The High Court of Justice is the only Civil Court in the Territories, and has jurisdiction in all civil cases. The districts of the Court are: Regina, Medicine Hat, Macleod, Calgary, Edmonton, Battleford, and Prince Albert.

Verification of Accounts.—All accounts and claims must be proved by oral evidence, except in cases where special summons is issued, and the defendant does not dispute the claim. In such cases the claim may be proved by affidavit.

PRINCE EDWARD ISLAND.

Assignments.—Prefereutial assignments can be made, but must be registered in the county where the property assigned is held. A chattel mortgage is generally given, and the mortgagee must make oath that the security is given for a *bona fide* debt. Any other creditor of the mortgagor may pay the mortgagee the amount of his claim, and, if the goods are worth it, can proceed for payment of his claim.

Judgments.—Judgments in the Supreme Court bind the real estate of defendants. In the county court judgments do not bind real estate.

Attachments.—Attachments may be taken out against effects of an absent debtor in the Supreme or county courts. The county court has jurisdiction in actions of debt, covenant, assumpsit and tort, where the damages do not exceed $150, and in actions on bail bonds given to the sheriff by process of said court. A bailable writ may be issued out of the Supreme Court against a debtor about to abscond, and in the county court a capias may be issued for an absconding debtor for any sum in excess of $8 up to $150.

Exemptions.—The necessary bedding and wearing apparel of the debtor and his family, the tools and implements of his trade, one stove and a cow.

Garnishee.—A creditor may garnishee the property of a debtor found in the hands of any one by process either in the Supreme or county courts.
